Grace's love of the local community will live on in the endowments that she has left to local charitable organizations. Grace's worldly possessions will benefit the IRCC Foundation for scholarships, VNA, Council on Aging, Hospice of Martin & St. Lucie, AAUW scholarship, Environmental Studies Council, Historical Society of Martin County, University at Buffalo Foundation, Martin County Literacy Council, and the Boys and Girls Club of Martin County.

A retired chemistry professor, Grace continued her lifelong love of learning by teaching others. After the death of her beloved husband, "Doctor" W. Hinson Jones, Grace formed a financial discussion group to educate women about money matters and finance. She continued this group up until the time of her death at the age of 96. Ever young in her outlook on life, Grace leaves this world to carry on as she rejoins "Doctor", the love of her life.
